HB66      AN ACT CONCERNING MEDICAL ASSISTANCE FOR CERTAIN PERSONS  
RECEIVING ABORTION CARE AND RELATED SERVICES IN  
CONNECTICUT

To Whom it may concern,

We highly oppose the HB 6618. Tax money that we pay to the State of Connecticut should NOT be used to pay for any aspect of an abortion and especially for non-residents coming into CT for this procedure. These women should not be coming here for their abortion.

Abortion kills the most innocent, helpless lives, the unborn. We believe that it is IMMORAL to do so. Life should be protected from conception to a natural death. Anything other than that is wrong.

We DO NOT want our tax money to support this killing act. PLEASE vote NO to HB6618.

Respectfully,
